## Tale of Two "DeLaunays"

Boris Nikolaevich **Delone**  
(1890~1980)

Charles-Eugene **Delaunay**  
(1816~1872)

*Mountain climbing in my life was not simply  
a sport or the source of a good mood.*

*It is a worldview that  
asserts simple truths, glorifying the good things:  
bravery and comradeship,  
the desire to know and the desire to help,  
a devotion to purpose,  
a sense of and joy in daring, keenness and striking courage.*
